Newsletter 21<sup>st</sup> September 2018

Dear Parents and Carers,

It has been another busy week in school with lots of fantastic learning going on both in and out of school. I joined some children who visited Skipton Girls High School to listen to some Malawian Farmers talk and answer questions about the rice they produce. They also had the opportunity to taste it too. Yum! As a Fairtrade school, we have agreed to take part in the 90kg rice challenge. We have ordered our 90kg and will let you know of forthcoming events where we be selling them. This is a fantastic opportunity for us to make a difference – if we sell all 90kg this will enable a Malawian farmer to send a child to high school for a year!

It will be our annual Macmillan Coffee Morning next Friday 28<sup>th</sup> September at 9am. We all know and have experienced the devastating effects that cancer can bring to many peoples' lives. It is an opportunity for you to meet, relax, eat cake and again make a difference! We would also ask that donations of cakes, buns or biscuits (made or bought) be handed into school on Thursday after school or Friday morning. Thank you in advance for your kind donations. As usual, children will have an opportunity to come and have a cake / bun at playtime. Please send a donation in with them on Friday morning.

Have a great weekend  
Tim Whitehead

### Peggy's garden and grow project

I am really excited to announce that following our consultation about a growing project in the Peggy Wilson field, school applied and was successful in obtaining a National Lottery Awards for All grant. School is now busy consulting over the design and we will begin work in November. We are planning three community days throughout the year where we would very much like your help! More on this will follow in due course. It will be a great facility for the community to use and will also provide an outdoor learning space (forest school) for our children.

Dear Parent/Guardian, On 28.....September 2018 we are delighted to welcome David Webb, a leading children's author.

### Pocket Wands

Do You Believe in Magic? You really should! Come into Hocus Pocus House where you can meet the magical Moon family. Follow Wild and Maisie as they get up to mischief with their brand new pocket wands.

### Grandma's Teeth

Dudley's grandma is a disaster! His half term is ruined when Gran comes to stay for a few days. Things go from bad to worse when she loses not one but two sets of false teeth. A trip to the dentist, a disastrous bus journey and a run in with the local vandals provides plenty of opportunity for Gran to cause chaos!

### The Dragon's Cave

Daisy's and William's parents take them on holiday to the coast where they stay at the mysterious Halfway House, owned by the equally mysterious Caspian, with his white stick and icy blue eyes. When Daisy discovers a dusty old book it is the start of a fantastic adventure. A picture of a fiery dragon and a map shows the way from Halfway House to the Dragon's Cave. However all the other pages are blank. A storm in the night, a dangerous climb down a cliff and though a cave leads to a steamy bubbling pool....

### Tom Travis Time Traveller

When Tom Travis experiences strange dreams, he begins to realise that he is no ordinary boy. Through sleep, he travels to the Time Forest, where he sees the past unfold before his eyes.
