### Kildwick CE VC Primary School

### Week ending 08.09.17

I wanted to take this opportunity to welcome you all back to school and to the start of this academic year. I trust you have all had some time to rest and relax. For some it is the start of your journey with us and for some it will be the final year before you move onto pastures new. We would like to extend a warm welcome to all new parents and their families and we look forward to getting to know you over the year.

We also welcome three new members of staff to the team. Mrs Stoney who will be working in Class 1, Miss Bell who will be working across the school as a Higher Level Teaching Assistant for two days a week and Danielle Johnson who will be working as a catering assistant in the school kitchen. We also must wish Miss Smith all the best as she embarks on her teaching career in Class 2.

We wish them all well as they settle into school.

The school has undergone some redecoration over the holiday and is looking brighter and fresher. Various windows have been replaced and all have been repainted, the school kitchen has undergone a small refurb, the main school corridor has been redecorated and we have had a new school gate fitted. This will be fully operational early next week.

We started off our school year reminding children about our core values. These are Friendship, Courage, Peace, Respect, Forgiveness and Trust. We will be focussing on a core value each half term with the first one being Friendship.

This year, one area that the school will be aspiring to improve in is reading. To this end, we would like to invite you to a reading / meet the teacher event on Tuesday 3<sup>rd</sup> October at 6pm.

There will also be a school PTA meeting next Wednesday at 3.45pm in school. I would strongly encourage you to attend.

I am really proud of what the school community has achieved over the last year and am looking forward to working together over the next year. I am ready and raring for round two...I hope you can join in!

Have a great Weekend

Tim Whitehead  
Head Teacher

### PTA Meeting

There will be a school PTA meeting next Wednesday at 3.45 pm in school. All parents are invited to attend and this is an opportunity to present ideas and be involved in helping school raise vital funds.

### Medical Needs

Please could I remind all parents that any, long term, medication your child may need during the course of the school day (such as inhalers) should be handed to class teachers as soon as possible. Please ensure that this medication is in date and that you know when it needs replacing throughout the school year. We will keep all medication until the end of this school year when it will be returned to you. Please keep your class teacher up to date with regards to children's medical needs. In turn we can ensure that all staff are fully trained and able to deal with your child's needs effectively. Keeping your children healthy and safe in school is our priority.

Some children, with more complex medical needs, may require a Health Care Plan. You should have been invited to meet with your Child's class Teacher to complete and/or review this. Please treat this as a priority. If you are unable to attend school to do this a blank copy can be sent home with your child or Miss Akrigg can email it to you

### Reception 2017/18 – A message from Miss Akrigg

The Reception children have settled into school so well and are already part of our school community. They have had a fun week getting to know each other, the school and their Year 6 buddies. They are clearly going to be an asset to Kildwick Primary School, keeping our standard of fantastic behaviour, lovely manners and generally very lovely children. I know that myself, Mrs Stoney and Mrs Smith are very excited to be teaching the children and have had a fantastic first week with them all.

### EYFS / Phonic Evening

As noted on Facebook and the Class One noticeboard, parents of Reception children are invited to attend an EYFS and Phonic information evening on Monday 11th September at 5pm. This will last no longer than an hour and aims to inform you of how and what your child will learn over the next year with a particular focus on learning and teaching phonics. If you are unable to attend on this date and time, please arrange to see Miss Akrigg to make an alternative arrangement.
