Newsletter 13th October 2017

Have I ever mentioned that your children make me proud every single day? I have been visiting a number of classes this week and they are definitely motivated learners. Whether it's learning about subordinating conjunctions, asking very thoughtful questions about jet engines (in preparation for an upcoming trip to Rolls Royce), running in the pouring rain through mud or designing a new art installation for the National Trust at Fountains Abbey, they are 100% up for the challenge.

The staff have received some training in teaching handwriting this week. We see this as an important skill to learn and one that can quickly improve children's self-esteem and sense of pride. We will be implementing this training across the school over the next half term. Please see below for some examples from Thursday's sessions.

Well done to Class 5 on such a fantastic assembly!

Have a great weekend
Tim Whitehead
Head Teacher

Sporting News

Cross Country

The first of the Keighley & Craven Cross Country series took place on Wednesday. This was probably the wettest day of the year. We had 45 runners taking part, all having fun in the mud! Well done to everyone. Full results can be found [here](#). The next meet will be on Weds 15th Nov at Lund Park.

Football

Due to the weather, the football competition at South Craven has been rescheduled to Tuesday 17th October after school. Letters have already been sent out.

The Folly

Mark Larham from Airedale Architects and Aimee Rawson from The National Trust visited school this week to deliver a design workshop for an art installation competition. The winners will have their folly design made and displayed alongside other professional artists at Fountains Abbey and Studley Royal in 2018. We have some fantastic designers in the making. Follow this [link](#) to see them at work during the workshop.

2018 Secondary School Places

Flu Vaccination this Autumn

Dear Parent/Guardian

Please visit this online form to consent electronically for your child to receive their flu vaccine in school this autumn. Children in reception, year 1,2,3 and 4 are being offered the flu vaccine this year.

<https://www.hdft.nhs.uk/services/childhood-flu-programme/>

This vaccination programme is in place to help protect your child against flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

Please complete the online form (one for each child) by the end of September 2017. Please ensure you read and understand all the information before you complete the online form. Please visit <https://www.hdft.nhs.uk/services/childhood-flu-programme/> for more information about the flu vaccination.

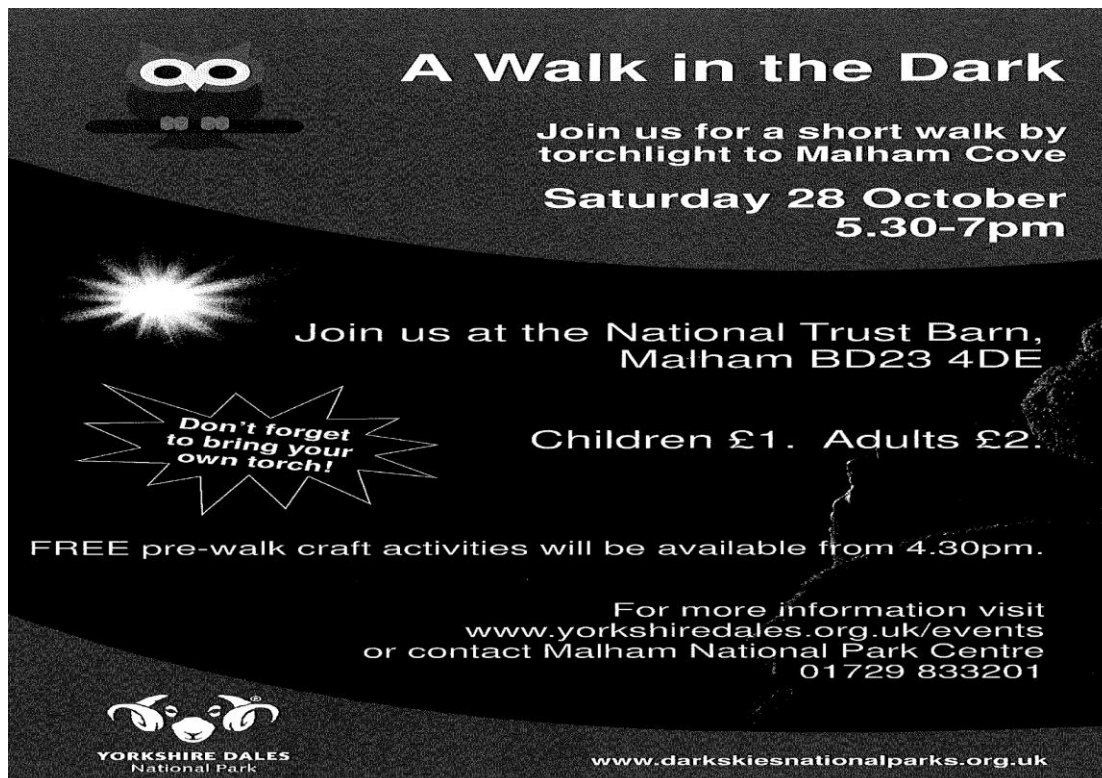

The vaccination is free and recommended for young children, and will be given by a quick and simple spray up the nose. Please go the website shown above which includes details about the small number of children for whom the nasal vaccine is not appropriate. Please ensure you read the leaflet that is enclosed before completing the online consent form. If you have any queries please contact the childhood Immunisation team on the above number or email address.

Last year, most children offered the vaccine in schools had the immunisation.

Yours sincerely,

Lois Alderson
Clinical Lead for childhood immunisation's in North Yorkshire and City of York

If you decide you do not want to vaccinate your child against flu, please complete the consent form giving the reason. This will help us plan and improve the service.
