Newsletter 23rd March 2018

Dear Parents

This week saw the children competing in a debating competition organised by the Skipton Rotary club. Children from Class 4 and 5 represented the school and spoke about 'Social media and children'. The children were all amazing, spoke clearly and with confidence. I am sure you will agree, this is not an easy thing to do. Anna was voted the best speaker, well done! Our Collective Worship School Council led their first Collective Worship on Monday. Again, they led the school well in our weekly worship; helping us to focus our minds and to be peacemakers. They showed a video, read a story and led us in prayer. The first of many, well done team! The school choir and mini ringers performed well at the Skipton Music Festival and I hope this is the first of many. I think Mrs Sharples was more nervous with the sense of occasion than the children were. Year 6 competed brilliantly in the South Craven Tag Rugby festival on Wednesday and won! A group of children have been to Settle Primary School to take part in a 'Robot Rumble' event with other local primaries and I have heard it was great fun. You can see some pictures of this event on the Settle PS Facebook page. I hope that parents and visitors to the Class 2 assembly were as impressed as I was. They spoke and sung clearly and again with great confidence.

Next week, we look forward to welcoming you into school to discuss your child's progress with their class teacher. Should parents need to bring children with them, I will be in the hall to supervise them; hopefully this will help us stick to agreed time slots. It is hard to believe that it is the end of the Spring Term next Thursday. Don't forget to turn your clocks forward on Sunday!

Have a great weekend!

28 April will be the last geonauts session. Parents are invited to come along at 4.30 pm for half an hour while the recorded interviews take place (the consent is required to be returned).

Please note the last cooking club was 22 March and because of the snow closure a session has been missed. We will be restarting cooking club in September 2018 and payment for this missed session can be carried over. However, if you would prefer a refund please contact the school office on admin@kildwick.n-yorks.sch.uk and this can be arranged. Many thanks.

Parking

Please could I remind parents to show due consideration and care when parking outside school. Under no circumstances should parents block driveways. I have had a number of complaints regarding this over the last couple of weeks. I cannot stop you parking outside school but please bear in mind you may be putting the safety of your children at risk by doing so! I might also add that I consider it a danger to park against the wall of the Rec, just below the canal bridge. We are lucky to have the use of the White Lion car park and the church car park. There is also plenty of room along the old route out of Kildwick. Thank you for your support with this important safety matter.

A number of children's clothing/trainers have gone missing. Please can all parents check and return any items not belonging to your child. Thank you.

Running club volunteers – We are looking for volunteers to help with the school running club. You don't have to be fast and we do stop for plenty of rests. You don't have to commit to every week and we can put a rota together. Please let Mrs Chapman know if you would like to help. Thanks.

Pedal & Scoot – Class one children will be looking forward our pedal & Scoot days – Parents should have received information. We are asking for parent helpers on these days. You do not have to commit to the full day but any support would be greatly appreciated. Please email Miss Akrigg at eyfs@kildwick.n-yorks.sch.uk

CO-OP

As you will be aware, our school has been chosen by the Co-op as one of the local charities it will support over the next six months. This means that 1% of what you spend on coop products goes to your selected charity.

The current total in our Co-op charity fund is **£640.33** I will update you with regular weekly totals. Let's keep this total rising. Please share with friends and family and ask them to support Kildwick School. This money will help improve our playground and outdoor facility. Thanks.

The YR6 hoodies will be ordered on Monday 2 April 2018.

Wear Magenta for Megan

The PTA are organising a fund raising event through the local schools on 20 April for a little girl called Megan who goes to Bradley School. Megan will be 9 years old on 27 March and was diagnosed with a brain tumour 15 months ago. She underwent surgery and recovered well but the tumour has returned and it's been found to be cancerous. She is being very brave in the face of regular chemo and cancer treatment she's got a full day of chemo to look forward to on her birthday.

She is a happy, fun loving girl, very caring and friendly who loves to paint and play the piano. She loves to play with her friends and two brothers. Her favourite colour is magenta...typically original for Megan.

The family have said they are receiving amazing support from Candlelighters and Macmillan Nurses and have asked if any money raised could go to Candlelighters to help them to help more families like them. On 20 April the PTA would like to invite children to pay £1.00 and 'Wear Magenta for Megan' and will be selling Cookies and Milkshakes at 3.30 pm.

Class 1 & 2 Nellbank Trip

A reminder that it is Class 1 & 2's trip to Nell Bank on Tuesday. Children should arrive at school for 8.30am in clothing suitable for the weather, preferably wellies. Children should wear their school jumper. We aim to be back in school by 3.30pm. I am sure your children will have a wonderful experience with lots of outdoor learning.
