### Week ending 28.04.17

Welcome back to another exciting term ahead. I trust you all had an enjoyable and fun break and are ready for the challenges and excitement of the coming weeks.

On Wednesday staff and parents took part in some e-safety awareness training. It was somewhat ironic that on my drive home there was a radio program called 'Is digital technology making children's lives richer?'. The programme can be listened to again here - <http://www.bbc.co.uk/programmes/b08n3wp4>. Alternatively, here are a few extracts that I found interesting.

Are you the kind of person who puts the 'app' in happiness or are you someone who finds the endless advance of technology an infringement to the world that was quite alright without Wi-Fi? Statistics reveal toddlers as young as two are playing with tablets and smartphones and the average school child now spends more time communicating via screens than communicating directly face to face.

We are living in an interesting timeline of technology. Our children are natural natives of tech but we are not. We cannot compare our childhood with theirs so we therefore worry about them being bullied on-line or coming into contact with unsuitable material and people.

The flipside of this of course, is that it's also a wonderful place of curiosity. For example, we can see the earth from space. We spent many months last year observing the wonderful pictures taken by Tim Peake and we could even take part in a nationwide live link up and ask him questions.

I think the bottom line is that we do want our children to be tech savvy, as this most definitely will form the basis of their future professions. We also want to educate them about being responsible technological users. This is the challenge we face as parents and educators.

I will be adding extra resources to the e-safety section of the school website shortly. Thanks to the parents who attended and if you get chance please do spread the word on the playground.

We also received some news from Robin this week. He will be moving on to pastures new in July. The school community has had a close association with him for the past sixteen years. I have had the pleasure of working with him for only a short period of time but feel that our link has been strengthened. We wish him well for the future and am sure we will have opportunities over the coming weeks to say goodbye.

Have a great Bank Holiday weekend.

**KS1 Art Club commencing after Easter** – There are still a few places available on this KS1 after school club commencing on Wednesday 26<sup>th</sup> April. Please see Mrs Chapman for further details.

## Stars of the Week

**Class 5 – Emily Audin** for being involved and motivated.

**Class 4 – Lewis Carr** for great participation in the geonaut session.

**Class 3 – Lewis MacKenzie-Jones** for working hard in all subjects – always putting in 100%.

**Class 2 – Maisie-Lillie Hepworth** for working hard this week and listening to instructions.

**Class 1 – Ben Law** for amazing progress in maths.

## Birthdays

Catrin Ferguson – Year 6 – 27<sup>th</sup> April

Benjamin Law – Year 1 – 28<sup>th</sup> April

## Attendance

Halfway through the school year is a good time to think about how we are doing with attendance. As you can see, the whole school is just above national average. We would certainly like to keep it above national average as the year goes on – so please continue to think carefully each time you keep your child off school. Please remember that taking a holiday in term time is not permitted.

National average – 96.3%

Kildwick – 96.7%

## Sainsbury's vouchers

We are again collecting Sainsbury's vouchers in school. Please donate to school – this will allow us to select more games and play equipment for PE, breaks and lunchtimes.

## Nuts in school

Just a reminder that we are a nut free school and therefore any products containing nuts are not permitted on the premises.

## Reminder

Please could parents return the medication and home school agreement forms ASAP.

## Head Lice

We have had a number of cases of head lice in school this half term. Over the Easter holiday we would ask that all children are checked and treated, where required, for head lice. Information on detection and treatment can be found on the NHS website: <http://www.nhs.uk/Conditions/Head-lice/Pages/Introduction.aspx>

## SENDCo

A reminder that Miss Akrigg is our Special Educational Needs and Disabilities Co-ordinator in School. Should you wish to see Miss Akrigg to discuss any concerns you may have, an appointment can be made through your child's class teacher or through Mrs Chapman in the school office. Miss Akrigg is available on Monday afternoons but alternative days and times can be arranged where required.

## Rugby Tots

The EYFS and KS1 Rugby Tots sessions have been very successful and the children have given us great feedback about how much they have enjoyed these sessions. As such, we have decided to continue these sessions through the summer term. Weather permitting these sessions will now take place on the Rec. Places can be booked at [www.rugbytots.co.uk/class/find](http://www.rugbytots.co.uk/class/find)

## PTA

A message from Lisa Snell (Chair of the PTA):-

Family Fest at Broughton Hall Estate on 6 May 2017 - 1.00 pm to 9.00 pm

Following the flyer which you received before the Easter break, we are appealing to everyone to spare some time to help out at the above event. This is a large event with lots of stalls and entertainment organised for the 'So Sally Can Wait' charity. If anyone is able to volunteer to help out at the event, even for a short period of time, please can you let me know – all offers would be extremely appreciated. The PTA will also be holding a Fest Headband stall where the funds raised will be split between the school and the family of Sally.

Further information can be found on the link on the School's Facebook page.

Many thanks for your help and support.

Lisa
