### Kildwick CE VC Primary School

### Week ending 30.06.17

Last week was certainly an eventful one. I am sure I will be recounting it in years to come and I will be adding it to the list of 'things that have happened in my first year as a head' file. It also needs to be documented in the school log book.

Thankfully the sickness bug has waned and we are all (mostly) fighting fit, ready for the final stages of the school year. I have attached some useful information about ticks and Lyme Disease which I hope you will take a moment to read and digest!

Thank you to all of the parents who sent in kind words of appreciation regarding the residential trip. It is lovely for the staff to get such positive feedback. I would also like to take time to thank the staff who were as dedicated to the children as they always are, despite sickness and illness themselves!

Years 5 & 6 visited High Adventure this week and participated in team building activities alongside pupils from Cowling and Cononley. Year 6 have also visited Malham to conduct a river study! Year 5 spent an exciting day at South Craven, meeting staff and mixing with children from the local feeder primaries.

The KS2 staff and children are busy preparing for their end of year production and tickets are now available from the school office.

Have a great Weekend!

Headteacher
