

Children will cover the appropriate objectives for their age and ability. Topics will be revisited to ensure children have a clear understanding and are also given the time to cover the enquiry objectives through investigation and experimentation. Children will be assessed by the class teacher and objectives ticked off that they have covered. This will then be passed on to their next teacher.

	AUTUMN		SPRING		SUMMER	
Ks1 Year A	Animals including Humans	Animals including Humans	Scientists and Inventors	Scientists and Inventors	The Environment	Everyday Materials
