### Week ending 30<sup>th</sup> September 2016

It's the end of the fourth week back in school and it won't be long until half term, shorter days, Saturday evenings in front of Strictly or The X factor (followed by MOD) .....and dare I say the Christmas word (Shhhhhh).

Talking of Christmas I have provisionally booked a school trip to the pantomime (Oh yes I have) at Skipton Auction Mart on Friday 16<sup>th</sup> December. Confirmation and details will follow shortly.

I spent a lovely morning with year 6 and they certainly impressed me with not only their knowledge (they are obviously rising to the challenge of an 'increased government expectation') but the way they interact and show respect and empathy for one another. These are all qualities that we want to encourage in our school.

Next week there will be a 'meet the teacher' event on Tuesday 4<sup>th</sup> October at 5.30pm. They will want to share with you the expectations for the year group and ways you can help at home. The evening will begin in the hall at 5.30 for a brief talk followed by visits to classes. We anticipate it not lasting longer than 6.30pm. I will also be available to talk to parents about any concerns or words of encouragement you may wish to impart!

You will also have received a letter inviting you to a formal parent's evening which is being held in school on week commencing 17<sup>th</sup> October. Please see you child's class teacher to book a convenient time.

A school is a 'living community' and therefore we should be looking for ways to grow, change and adapt to meet the needs of the children, especially in an age where the world is changing dramatically and quickly. It's funny to think that the children we are now educating will be performing jobs as adults that haven't even been invented! We would like to work with you to achieve this so please would you fill in the questionnaire that has been sent home this week.

I would also strongly recommend you visit the Parent View website (ofsted), register and fill in the questionnaire. Although I cannot see the responses or names, I can see how many have been completed....currently we have 2 responses. Follow this website to register and complete.

I have been showing prospective candidates around school for the KS2 (Class 4) vacancy we have. Governors, staff and pupils will be involved in the process which will include a lesson observation, questions from the school council and a formal interview. The successful candidate will commence in January 2017.

Over the coming weeks your child will be bringing home logins for the following web based educational programmes – Education City and Purple Mash. Staff will be receiving training and will, in time, set home learning using these excellent resources. In the meantime please have fun exploring both websites.

Thank you for joining in with the Head Teacher's challenge, we have had a fantastic response! Thank you also for liking our Facebook page. I will try to get some posts 'up' by the end of the week.

**Hot off the press** - Thank you to all for supporting such a fantastic event. The children have been in training with Sgt Major Smurthwaite and performed with grit and determination to finish in overall 1<sup>st</sup> place. Individuals will be informed if they have progressed to the next stage.

PS – There has been an amazing transformation in Class 2 – scroll down to find out.

Have a great weekend!

### Healthy Snack

**Thank you for your continued support with regard to water and snack at playtime.**

Please could I request that only fruit (no fruit winder or yo yo) and water is brought to school as a playtime snack. I am mindful of our Healthy School status and the sugar content of such foods. It is also causing unnecessary litter in the playground which in turn has attracted a multitude of wasps.

### Awards and Achievements
